Section 504 of the Rehabilitation Act of 1973 states that no qualified disabled person shall, on the basis of disability be excluded from participating in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which receives or benefits from federal financial assistance.

The Americans with Disabilities Act of 1990 prohibits the Managed Risk Medical Insurance Board and its contractors from discriminating on the basis of disability, protects its applicants and enrollees with disabilities in program services, and requires the Board and its eligibility and enrollment contractors to make reasonable accommodations to applicants and enrollees.

Introduction

The California Major Risk Medical Insurance Program (MRMIP) is a program developed to provide health insurance for Californians who are unable to obtain coverage in the individual insurance market. MRMIP is administered by a five-member Board which established a comprehensive benefit package. Services are delivered through contracts with health insurance plans. MRMIP subscribers participate in the payment for the cost of their coverage by paying subscriber contributions, an annual deductible, and copayments. MRMIP supplements subscriber contributions to cover the cost of care and is funded annually by tobacco tax funds.

Eligibility

In order to be eligible for the MRMIP:

1. You must be a resident of the state of California. A resident is a person who is present in California with intent to remain in California except when absent for transitory or temporary purposes. However, a person who is absent from the state for a period greater than 210 consecutive days shall not be considered a resident.
2. You cannot be eligible for Medicare both **Part A** and **Part B** unless eligible solely because of end-stage renal disease. Provide a Medicare eligibility letter with the application as proof of end-stage renal disease. (Being eligible for only one part of Medicare is acceptable.)
3. You cannot be eligible to purchase any health insurance for continuation of benefits under COBRA or CalCOBRA. (COBRA and CalCOBRA refer to the federal and state laws giving people under certain circumstances the right to continue coverage in an employee health plan for a limited time.) If you have COBRA or CalCOBRA, you may apply for deferred enrollment.

4. You must be unable to secure adequate coverage within the previous 12 months. This can be demonstrated in any of three ways:

- You have been denied individual coverage. A letter or a copy from a health insurance carrier, health plan or health maintenance organization denying individual coverage within the last 12 months must be submitted with your complete application. Insurance denial notifications received through the internet that does not provide the reason for denial and the applicant's name will not be accepted.
- You have been involuntarily terminated from health insurance coverage for reasons other than nonpayment of premium or fraud. A letter or a copy indicating involuntary termination from a health insurance carrier, health plan, health maintenance organization or employer for reasons other than nonpayment of premium or fraud must be submitted with your complete application.
- You have been offered an individual, not a group, health insurance premium in excess of the MRMIP subscriber contribution amount. A letter or a copy must be submitted with the complete application indicating that, within the last 12 months, you have been offered by a health insurance carrier, health plan or health maintenance organization, a premium in excess of the MRMIP subscriber contribution amount. (Based on subscribers MRMIP health plan choice.)

Note: Letters from agents/brokers indicating that an individual is unable to secure adequate private coverage will not be accepted as documentation for eligibility.

Applicants Who Know They Are Currently Not Eligible But Expect To Be in the Future (Deferred Enrollment)

If you are not currently eligible for the MRMIP, but anticipate becoming eligible, you may also apply. Examples of this are: if you are currently enrolled in COBRA or CalCOBRA coverage or if your employer has informed you that you will be involuntarily terminated from insurance coverage sometime in the future.

To apply for deferred enrollment, indicate when you will become eligible and include acceptable documentation. Acceptable documentation is a letter from a health insurance carrier, health plan, health maintenance organization, or employer indicating when your coverage will end. The documentation must specify the exact date of when your current coverage will terminate. Enrollment in temporary policies does not qualify for deferred status.

If the MRMIP is not at maximum enrollment and all other eligibility criteria are met, you will be enrolled in the MRMIP the month determined you are eligible. If the MRMIP is at maximum enrollment at the time you become eligible, your application will be placed on a waiting list. Your place on the waiting list is determined by the date in which your complete application was received, not the date that you became eligible for the MRMIP.

Applicants for deferred enrollment must submit their initial subscriber contribution with their application. Payment will be refunded to you immediately if your deferred effective date is more than 60 days from the date MRMIP received your application.

Agents/Brokers, Employers and Applicants

Insurance Code Section 12725.5 states that it shall constitute unfair competition for an insurer, an insurance

agent or broker, or administrator to refer an individual employee or their dependent(s) to apply for MRMIP with the purpose of separating that employee or their dependent(s) from group health coverage provided in connection with the employee's employment.

Insurance Code Section 12725.5 further states that it shall constitute an unfair labor practice contrary to public policy for any employer to refer an individual employee or their dependent(s) to the MRMIP or to arrange for an individual employee or their dependent(s) to apply for MRMIP with the purpose of separating that employee or their dependent(s) from group health coverage provided in connection with the employee's employment.

Medi-Cal Beneficiaries

While Medi-Cal beneficiaries are not prohibited from enrolling in the MRMIP, a Medi-Cal beneficiary should carefully consider the cost before signing up for MRMIP coverage. MRMIP subscribers are responsible for their monthly subscriber contributions, annual deductible, and a copayment for services, which could be more than \$5,000 per year. Medi-Cal BIC cards cannot be used for the MRMIP.

How the Program Works

Choosing a Health Plan

The health plans participating in the MRMIP provide comprehensive medical benefits for inpatient and outpatient hospital and physician services. These benefits are outlined in the health plan description pages in this brochure and are also available by calling any MRMIP health plan at its toll-free number and asking for an Evidence of Coverage or Certificate of Insurance booklet.

Subscribers may choose from any plan available to them depending on where they live, as listed on pages 18-23. **Please review all pages carefully to select a plan that is right for you.**

Deductible

The MRMIP has an annual household \$500 deductible you must satisfy before the plan will begin paying for covered services. Effective January 1, 2009, you are responsible for charges for certain covered services subject to the deductible and the plans will not pay for these services until you meet the deductible in that calendar year. The only payments that count toward a deductible are those payments you make for covered services that are subject to the deductible. After you meet the deductible and for the remainder of the calendar year, you pay only the applicable copayments or coinsurance subject to the annual out-of-pocket maximum. Payments for services provided by In-Network and Out-of-Network Providers and prescription payments may apply toward the \$500 annual deductible. The \$500 annual deductible is applied to the annual out-of-pocket maximum.

Each plan is applying the deductible differently. However, the following covered Preventive Care Services with applicable copayments are not subject to the calendar year deductible in any plan.

- Breast Exams, Pelvic Exams, Pap Smears, and Mammograms for Women
- Cytology Examinations
- Periodic Health Examinations
- Hearing tests and eye exams for children
- Newborn Blood Tests
- Prenatal Care (care during pregnancy)
- Prostate Exams for Men
- Venereal Diseases Tests
- Well-Baby and Well-Child Visits
- Certain Immunizations for children and adults
- Laboratory Services in connection with Periodic Health Evaluations
- Other (depends on the plan)

Please review the individual plan pages for details on which services are subject to the deductible

Copayments / Coinsurance

Health Maintenance Organizations (HMOs) in MRMIP may require a fixed dollar copayment for some services and up to 25% of the cost for other services. The Preferred Provider Organization (PPO) in MRMIP may also require a fixed dollar copayment for certain services and up to 25% of the cost for other services.

The out-of-pocket maximum per **calendar** year for MRMIP is \$2,500 for individuals and \$4,000 for an entire household covered by the MRMIP. This maximum does not apply to services received by providers that do not participate in the subscriber's chosen health plan's provider network, or to services not covered by the MRMIP. There are MRMIP benefit limits of \$75,000 per calendar year and \$750,000 in a lifetime.

Please refer to the health plan's Evidence of Coverage or Certificate of Insurance booklet to read more about the plan's out-of-pocket expenses.

Subscriber Contributions

Subscriber contribution amounts are updated on January 1 of each year. In addition, your subscriber contribution may change during the year if your birthday moves you into a new age category. For subscribers with enrolled dependents, the age category will be based on the age of the applicant. Adjustments to subscriber contributions due to age changes will occur on the first of the month following the birthdate of the applicant.

Subscriber contributions may also change when a member moves from one area of the State to another or if a member transfers to a different health plan. Adjustments to subscriber contributions will occur on the first of the month

following notification of the move or on the effective date of your transfer.

Each month you will receive a subscriber contribution notice from MRMIP. Subscriber contributions are payable in advance and are due the first day of every month. A subscriber contribution notice will be generated monthly, and will be sent out 30 days prior to the due date. Please make check payable to the **California Major Risk Medical Insurance Program**.

Subscribers now have several billing options, which include monthly, bi-monthly, and quarterly premium billing, as well as monthly electronic checking account withdrawal.

Subscribers are responsible for their monthly subscriber contributions whether or not they receive a bill, or if the premium is paid by a third party.

A delinquent bill or final notice will be sent out on the 15th day following the due date.

There is a grace period of 31 days from the due date and the member's coverage will remain in effect during this time.

Disenrollment for nonpayment of a subscriber contribution will occur on the 32nd day after the due date. The end date of coverage will be retroactive to the last day of the month in which the subscriber contribution was paid in full. A disenrollment letter will be mailed to the subscriber. Subscribers are responsible for the cost of any services received after the disenrollment date. Subscribers who are disenrolled for nonpayment of their subscriber contributions may be reinstated upon a written request only **once** in a rolling 12-month period. The subscriber must request reinstatement in writing within 60 calendar days of the date of disenrollment and bring all delinquent payments up to date. Any further reinstatements will require a written appeal to the Managed Risk Medical Insurance Board for

consideration.

Subscribers may pay by check, money order or may elect to have their monthly subscriber contribution automatically paid from their checking account when accepted into the MRMIP. In addition, a federally recognized California Indian tribal government can make required subscriber contributions on behalf of a member of the tribe.

Subscriber contribution checks and electronic withdrawals that are returned by the subscriber's bank for insufficient funds may result in a retroactive disenrollment date. The subscriber will be charged a processing fee for each payment received as having non-sufficient funds. In addition, electronic withdrawals that are returned unpaid from the subscriber's bank will result in removal from electronic withdrawal and require immediate payment by check or money order. Upon written request to reinstate, the subscriber must include a check or money order of subscriber contributions to bring the account to current status with an additional \$25.00 processing fee.

There is no application fee for applying to the MRMIP. You are required to submit your first month's subscriber contribution for MRMIP health care coverage. This payment is completely applied towards your first month of coverage if you are enrolled. Cashing your check does not guarantee enrollment. Qualified insurance agents and brokers may be paid a \$50 fee by the State for explaining the MRMIP and assisting you in completing the application, if you are enrolled. The State does not require an individual applying to the MRMIP to pay any fee, charge or commission to a broker or agent.

Pre-Existing Condition Exclusion Period

"Pre-existing condition" means any condition for which medical advice, diagnosis, care, or treatment, including use of prescription drugs, was recommended or received from a licensed health practitioner during the six months immediately preceding enrollment in the MRMIP.

For subscribers and dependents enrolled in a Preferred Provider Organization (PPO), there is a pre-existing condition exclusion period of 3 months. During this period, no benefits or services related to a pre-existing condition are covered. However, subscriber contributions are paid during this period.

Post-Enrollment Waiting Period

For subscribers and dependents enrolled in a Health Maintenance Organization (HMO), there is a post-enrollment waiting period of 3 months. No benefits or services are provided to subscribers and enrolled dependents during this period. Subscribers will be informed of when this period begins and ends.

No subscriber contributions are paid during this waiting period. The initial one-month subscriber contribution will be applied to the first month of service.

How You May Waive All or Part of the Exclusion/Waiting Period

The exclusion/waiting period requirement may be waived in part or all if:

1. The subscriber and enrolled dependents have been on the MRMIP waiting list for 180 days or longer. In this circumstance, the exclusion/waiting period will be completely waived.
2. The subscriber and enrolled dependents were previously insured by another health insurance policy (including Medicare and Medi-Cal) and the application for enrollment

in the MRMIP was made within 63 days of the termination of the previous coverage. In these circumstances, you may be granted a waiver up to 3 months. If the coverage was less than 3 months but was at least 1 month, the subscriber and enrolled dependents will be given credit for either 1 or 2 months toward their MRMIP exclusion/waiting period.

3. The subscriber and enrolled dependents were insured by another health insurance policy that ended because of a loss of employment, or because the employer stopped offering or sponsoring health coverage, or because the employer stopped making contributions towards health coverage and application for enrollment in the MRMIP was made within 180 days of the termination of the previous coverage. In these circumstances, you may be granted a waiver of up to 3 months.
4. The subscriber and enrolled dependents were receiving coverage under a similar program in another state within the last 12 months. In this circumstance, the exclusion/waiting period will be completely waived.

If you have met the criteria in #2, #3, or #4 to waive this exclusion/waiting period, please submit appropriate documentation and check the appropriate boxes on the application (Program Eligibility Questions #5 and/or #6).

All documentation must be received prior to or with your first month's subscriber contribution.

The subscriber dependents age 18 and under are not subject to the pre-existing condition exclusion period or the post-enrollment waiting period.

Dependent Coverage Information

1. Dependents may be covered under the MRMIP and are defined as a subscriber's spouse, registered domestic partner, and any child who is an adopted child, a stepchild, a recognized natural child under age 23, or a registered domestic partner's own separate child. A child under age 23 cannot be married or have a registered domestic partner.

A dependent also includes any child that is neither married nor has a registered domestic partner and is economically dependent upon the applicant. A child over 23 years old may be covered if that child is neither married nor has a registered domestic partner and is incapable of self-support because of physical or mental disability which occurred before the age of 23. An applicant must provide documentation in the form of doctors' records which show that the dependent child cannot work for a living because of a physical or mental disability which existed before the child became 23.

2. It is the responsibility of subscribers to notify the MRMIP about changes in the number of dependents. Coverage for newborn children shall begin upon birth if the request is made within 60 days of birth. Stepchildren are eligible for MRMIP dependent coverage upon marriage by a subscriber to the stepchildren's parent or at the time the stepchildren lose other health coverage. The domestic partner's children are eligible for MRMIP dependent coverage upon the parent being a registered domestic partner with the subscriber or at the time the children lose other health coverage. In all cases, the MRMIP must be notified within 60 days. If eligible, dependents are covered within 90 days of the MRMIP being notified. Dependents age 18 and under qualify for a full pre-existing or post-enrollment waiver. To add a dependent to your policy,

you may request an "Add Dependent" application by calling **1-800-289-6574** and talking to a MRMIP Enrollment Unit representative.

3. Enrolled dependents of a deceased subscriber or dependents of a subscriber who becomes eligible for Medicare (Parts A and B) are eligible to continue coverage in the MRMIP as long as program requirements are met.

Waiting List

If the MRMIP reaches maximum enrollment, applicants and dependents will be placed on a waiting list. Applicants and dependents will be offered enrollment when spaces become available depending on the date in which the completed application was received. Any time spent solely on the waiting list does not count toward the 3 month pre-existing condition exclusion period or post-enrollment waiting period (once enrolled) unless the applicant has been on the waiting list for at least 180 days. If the applicant has been on the waiting list 180 days or longer, the full 3 month exclusion/waiting period will be waived.

Transfer of Enrollment

Subscribers and enrolled dependents may transfer from one participating health plan to another if any of the following occur:

1. The subscriber so requests, in writing, during the program's open enrollment period which is held in November. Subscribers will receive an open enrollment packet containing the plan choices and the new rates.

All open enrollment transfers will be effective January 1. All enrolled dependents will also be transferred to the new plan.

2. The subscriber requests a transfer in writing because the subscriber has moved and no longer resides in an area served by the health plan in which they are enrolled and there is at least one participating health plan serving the subscriber's new area.

3. The subscriber or participating health plan requests a transfer in writing because of the failure to establish a satisfactory subscriber/plan relationship and the Executive Director determines that the transfer is in the best interest of the MRMIP and there is at least one participating health plan serving the subscriber's area.

Any transfer request must be in writing to:

*Managed Risk Medical Insurance Board
Benefits Division
P.O. Box 2769
Sacramento, CA 95812-2769*

Subscribers who transfer enrollment are not subject to pre-existing condition/waiting period exclusions.

Disenrollment

A subscriber and enrolled dependents will be disenrolled from the MRMIP when any of the following occur:

1. The subscriber so requests in writing. Disenrollment will be effective at the end of the month in which the request was received or disenrollment will be effective at the end of the month for which the subscriber contribution was paid in full.
2. The subscriber fails to make subscriber contributions in accordance with the MRMIP's subscriber contribution payment and grace period policies. The effective date of disenrollment for nonpayment of a subscriber contribution will be retroactive to the last day of the month for which a subscriber contribution was paid in full.
3. The subscriber fails to meet the residency requirement or becomes eligible for Medicare Part A and Part B unless eligible solely because of end-stage renal disease. Subscribers must inform the MRMIP Enrollment

Unit in writing when they become eligible for Medicare Part A and Part B. Disenrollment will be effective at the end of the month in which the notification was received or disenrollment will be effective at the end of the month in which the subscriber contribution was paid in full.

4. The subscriber or enrolled dependents have committed an act of fraud to circumvent the statutes or regulations of the MRMIP. In the event of fraud, the disenrollment could be retroactive to the subscriber's original effective date.

Subscribers and dependents who have been disenrolled for any reason may not re-enroll in the MRMIP for a period of 12 months.

Health Plan's Dispute Resolution/Appeals

If a subscriber is dissatisfied with any action, or inaction, of the plan/provider organization in which he/she is enrolled, the subscriber should first attempt to resolve the dispute with the participating plan/organization according to its established policies and procedures.

Binding Arbitration

Each plan has its own rules for resolving disputes about the delivery of services and other matters. Some plans say you must use binding arbitration for disputes; others do not. Some plans say that claims for malpractice must be decided by binding arbitration; others do not. If the plan you choose requires binding arbitration, you are giving up your right to a jury trial and cannot have the dispute decided in court. To find out more about how a plan resolves disputes, you can call the plan and ask for an Evidence of Coverage or Certificate of Insurance booklet.

The Managed Risk Medical Insurance Board (MRMIB) Appeals Process

The subscriber should first attempt to resolve the dispute with the participating plan according to its established policies and procedures.

This is a State program and the subscriber's rights and obligations will be determined under Part 6.5 Division 2 of the California Insurance Code and the regulations of Title 10, Chapter 5.5.

Subscribers may file an appeal with MRMIB on the following issues:

1. Any action or failure to act which has occurred in connection with a participating health plan's coverage,
2. Determination of an applicant's or dependent's eligibility,
3. Determination to disenroll a subscriber or dependent, and
4. Determination to deny a subscriber's request or to grant a participating health plan request to transfer the subscriber to a different participating health plan.

An appeal must be filed in writing within 60 calendar days of the action, failure to act, or receipt of notice of the decision being appealed to:

Sacramento, CA 95812-2769*

Evidence of Coverage and Disclosure Form or Certificate of Insurance Booklets

Evidence of Coverage and Disclosure Form or Certificate of Insurance Booklets is available from each health plan upon request. Please see each health plan description for a phone number to call to request one.

Coordination of Benefits

Participating health plans will coordinate coverage of benefits with any other health insurance you may have. The MRMIP is secondary to other insurance coverage and by State law will only pay after your other insurance has paid (not including Medi-Cal and/or other State programs). Under the rules of the MRMIP, the benefits of this Program will not duplicate coverage you may have (whether you use it or not) under any other program or plan.

Privacy Notification

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

When you apply for the MRMIP, the information you provide in the application is reviewed by a private contractor. The private contractor is hired by the State of California to assist in the administration of the MRMIP. The contractor uses your information to determine whether you are eligible for MRMIP. The contractor and the State will use your information for administration and evaluation of the Program and for necessary purposes authorized by law.

If you are determined eligible for MRMIP, the contractor will send your information to the health insurance plan and provider that you select, so you can begin to receive health insurance coverage under that plan. Once you are enrolled, your health plan will forward to the State information regarding the health care and services that you receive.

Uses and disclosures that are not part of the operations of the Program will only be made with your written authorization or as required by law. This authorization may later be revoked at your written request.

Your Rights Regarding How Your Personal Information Is Used

You have the right to request the MRMIP to restrict the use of your personal information. The Program may not agree to restrictions if it would interfere with normal operations and administration. You also have the right to obtain a copy or request a change to the personal information you provided to the MRMIP as long as the Program retains such information. You have the right to obtain an explanation about how your personal information was disclosed, other than the use of your information by MRMIP to carry out the operations of the Program.

MRMIP may revise the privacy practices described here. The Program will notify its subscribers by updating program handbooks and/or through notices mailed directly to subscribers (within 60 days) of such revisions. You may submit a complaint to the MRMIB if you believe your privacy rights have been violated by contacting:

Open Enrollment Period for Under Age 65 Disabled Medicare Beneficiaries

You are ineligible for coverage through MRMIP if you are eligible for Medicare Part A and Part B, unless you are eligible for Medicare solely because you have end-stage renal disease.

You are required to inform the Program when you become eligible for Medicare Part A and Part B. Please contact the Major Risk Enrollment Unit at **1-800-289-6574**. “Eligible” for Part A means that you are not required to pay a premium for Part A. “Eligible” for Part B simply means that you have the

right to purchase Part B because you are eligible for Part A. You are ineligible for MRMIP even if you choose not to pay the premium for Medicare Part B.

Most individuals who become eligible for Medicare because of **age or disability** are entitled to purchase insurance to supplement their Medicare for **six months after they first purchase Medicare Part B**, and under certain other circumstances. For individuals who become eligible for Medicare because of a **disability**, the right to buy this supplemental insurance is the result of State law. You may call the Health Insurance Counseling and Advocacy Program (HICAP) program at **1-800-434-0222** for free information and counseling about these rights.

Plan Highlights

Quality Medical Services at Discounted Rates

Anthem Blue Cross has found a way to control escalating medical expenses for members. We have negotiated discounted rates with a network of physicians and hospitals across the state. These providers form the Preferred Provider Organization (PPO) plan. They give Anthem Blue Cross members a discount for care.

Members must satisfy a \$500 calendar year deductible before the plan will begin paying for most covered services beginning January 1, 2009. Once the deductible is met, members pay only a **\$25** copayment for office visits to doctors in the Anthem Blue Cross network. Anthem Blue Cross pays the rest. For most other in-network services, Anthem Blue Cross pays **85%** of the discounted rate. Once you reach your yearly maximum copayment/coinsurance limit, Anthem Blue Cross pays **100%** of the cost for in-network, covered services for the rest of the calendar year. There are no claim forms to file when you use in-network providers.

Advantages of Plan Providers

Access to One of the Largest Provider Networks in California

The Anthem Blue Cross PPO plan gives you access to quality care through our network of physicians, hospitals and selected ambulatory surgical centers, infusion therapy, and durable medical equipment providers. Using network participating providers ensures maximum member savings.

- **Extensive provider network** comprised of more than 40,000 PPO physicians, 29,000 HMO physicians and more than 400 hospitals.

Benefits Still Available Out-of-Network

You can go outside the network and still receive benefits. You will pay a greater share of the cost when you use a nonparticipating provider because you will be responsible for a larger coinsurance and any charges that exceed the fee schedule.

Anthem Blue Cross contracts with most hospitals in California; however, benefits are not provided for care furnished by the few hospitals without an agreement with Anthem Blue Cross (except care for medical emergencies).

How the Plan Works

The Anthem Blue Cross PPO plan covers your medical and prescription expenses after a \$500 calendar year deductible is met for most covered services.

- **\$500 Calendar Year Deductible** per member or per family. The payments or incurred costs for services provided by in-network and out-of-network providers for medical and prescription services excluding preventive care services.
- **Preventive Care Services** These services are covered even if you have not met the calendar year deductible and do not apply towards the deductible:

Breast Exams, Pelvic Exams, Pap Smears, and Mammograms for Women, Cytology Examinations Family Planning Services, Health Education Services, Periodic Health Examinations and Laboratory Services in connection with them, Hearing Tests and Eye Exams for Children, Newborn Blood Tests, Prenatal Care (care during pregnancy), Prostate Exams for Men, Venereal Diseases Tests, Well-Baby and Well-Child Visits, Certain immunizations for children and adults.

- **\$25 office visit** copayment when you use our in-network providers.
- **Yearly maximum copayment/coinsurance limit for in-network providers per calendar year:**
 - \$2,500 per member
 - \$4,000 per family
- **\$75,000 annual maximum** for benefits paid per calendar year.
- **\$750,000 lifetime maximum** for benefits paid.

The Anthem Blue Cross PPO plan includes the **Anthem Blue Cross Prescription Drug Program** with these important features:

- **Lower cost:** Anthem Blue Cross has negotiated discounts with almost 90% of California retail pharmacies, including all of the major chain drugstores. You may choose any pharmacy, but your costs are much lower if you stay in the network using participating providers.
- **Service:** Network pharmacies are supported by an online electronic network and will collect your copayment when you pick up your prescription. No claim forms to file!

Plan Highlights

Blue Shield's revolutionary approach to health care coverage makes it easier than ever for you to get the care you need and the service you deserve. We offer the following special features to give you greater control over your health:

- **Access+ Specialist** gives you the option to go directly to a specialist in the same physician group as your Personal Physician **without** a referral for a \$30 copayment per visit. Of course, you can always choose to go through your Personal Physician and pay your standard \$15 copayment when you obtain a referral to a specialist.
- **Access+ Satisfaction** is our member feedback program that offers to refund your standard \$15 copayment if you are ever dissatisfied with the service you receive during a covered office visit with one of our HMO network physicians.

With Access+ HMO, there are virtually no claim forms to file, and your dependents (spouse and unmarried children under age 23) are also eligible for coverage under the Access+ HMO Plan.

Annual maximum benefits are \$75,000 per covered individual, and lifetime maximum benefits are \$750,000 per covered individual.

Plan Providers

As an Access+ HMO member, you have access to thousands of participating physicians in 22 counties. Odds are that your current doctor is a member of our HMO provider network.

You and each covered family member may choose his or her own Personal Physician from our extensive provider network. Plus, you may change Personal Physicians for any reason at any time simply by calling Blue Shield Member Services.

Blue Shield's Access+ HMO Plan is available to MRMIP subscribers in the following California counties:

Alameda	San Bernardino
Contra Costa	San Diego
Fresno	San Francisco
Kern	San Joaquin
Los Angeles	San Mateo
Marin	Santa Barbara
Nevada	Santa Clara
Orange	Solano
Placer	Sonoma
Riverside	Stanislaus
Sacramento	Ventura

Please see the chart at the back of this brochure for the specific zip codes open to MRMIP.

How the Plan Works

Your Personal Physician will provide or coordinate all of your health care needs, except for Well-Woman exams and **Access+ Specialist** visits. (To use the **Access+ Specialist** option, your Personal Physician must belong to a physician group that has chosen to become an Access+ Provider Group and offers the **Access+ Specialist** option.)

To make an appointment with your Personal Physician or with a specialist in the same physician group using the **Access+ Specialist** option, simply call the physician's office directly and identify yourself as an Access+ HMO member. You will be asked for your Access+ HMO member identification card and your copayment at the time of your visit. (When using the **Access+ Specialist** option, you will also need to show your **Access+ Specialist** card.)

Always call your Personal Physician when you need medical care, unless you are using the **Access+ Specialist** option. Your Personal Physician or his or her designee is available 24 hours a day, seven days a week.

Your Personal Physician or Physician group will authorize any medically necessary X-ray, laboratory, emergency or hospital services. Prescription drugs can be filled at any Blue Shield participating pharmacy, including most major drugstore chains.

Deductible

You pay \$500 deductible for inpatient hospital and skilled nursing facility covered services each year beginning January 1, 2009 before Blue Shield makes payments toward covered services. All other services such as emergency care services, preventive services, family planning services, home health care, and professional services are not subject to the deductible.

Copayments

The maximum amount of out-of-pocket expenses is \$2,500 per individual and \$4,000 per family in a calendar year.

Important Information

Selection of a Personal Physician from the Blue Shield HMO Physician and Hospital Directory is required when enrolling in the plan. Plan Highlights

Contra Costa Health Plan (CCHP), founded in 1973, is stable and secure. CCHP is sponsored by the County of Contra Costa, is licensed by the California State Department of Managed Health Care, and is a federally qualified Health Maintenance Organization. Our over 65,000 members, therefore, have the assurance of knowing that CCHP must conform to the highest standards of care.

Our members appreciate

- Affordable, quality care, plus excellent service
- A comprehensive benefit package
- Neighborhood Health Centers with extended hours for primary and urgent care services, and access to the Contra Costa Regional Medical Center
- An extensive network of community primary care and specialty physicians, and contracted community hospitals
- A 24-hour Advice Nurse service available 365 days a year
- Emergency services covered worldwide

Plan Providers

When you select CCHP for yourself and your family, you are gaining access to over 2,000 providers and specialists. CCHP offers a choice of two “provider networks”: One, our Regional Medical Center Network, offers primary care and access to specialty care through eight Health Centers and at the newest hospital in the East Bay, the Contra Costa Regional Medical Center in Martinez. You simply select the Health Center most conveniently located for you, and your doctor there will make sure you get all the preventive care,

routine care, and referrals for specialty care that you need.

CCHP’s other “provider network” is the Community Provider Network. With offices throughout Contra Costa County, you will easily be able to select a Primary Care Provider (PCP) near you. These community providers are affiliated with one or more of six hospitals in the area. The Contra Costa Regional Medical Center’s specialty services are also available to providers and members of this network.

How the Plan Works

CCHP is available to MRMIP subscribers who live in Contra Costa County.

When you join CCHP, we encourage you to call our Member Services Department. Our friendly Member Services Representatives will take as much time as you need to help you select your PCP and with any other questions you may have about how to access your plan services. You can change your PCP at any time by calling Member Services and choosing another provider from either provider network.

The 24-hour Advice Nurse service is available to members every day of the year. Advice Nurses offer confidential and professional health advice and important information about preventive care services.

All new members will receive Informational Materials, which include a Member Handbook, Provider Directory, Combined Evidence of Coverage and Disclosure document, and a Health Plan membership ID card. Call CCHP Member Services at 1-877-661-6230 (press 2) with any questions about your membership.

Deductible

There will be an annual \$500 deductible that accrues on a calendar. Only payments or incurred costs for Inpatient Hospital services provided by In-Network and Out-of-Network Providers apply toward the \$500 annual deductible. You do not have to meet a deductible before receiving coverage for any other benefits. Please refer to the “Benefits and Cost Sharing” section of your Evidence of Coverage booklet for more information.

Your Copayments and Prescription Coverage

You will be responsible for paying a copayment for some services, such as doctor visits and hospital stays. You will be charged 20% of the cost of your prescriptions, which must be obtained at Plan-authorized pharmacies.

Each plan has its own rules for resolving disputes about the delivery of services and other matters. Some plans say you must use binding arbitration for disputes; others do not. Some plans say that claims for malpractice must be decided by binding arbitration; others do not. If the plan you choose requires binding arbitration, you are giving up your right to a jury trial and cannot have the dispute decided in court. To find out more about how a plan resolves disputes, you can call the plan and request an Evidence of Coverage or Certificate of Insurance booklet.

These plans DO NOT require binding arbitration: Blue Shield Access+ HMO and Contra Costa Health Plan.

These plans DO require binding arbitration of disputes: INCLUDING malpractice, so long as the disputes are beyond the jurisdictional limit of the small claims court: Anthem Blue Cross and Kaiser Permanente.

I, the applicant, declare that I have read and understand the information on this form and agree to the Authorizations and Conditions of Enrollment. I certify that the information provided on this application is true and correct.

Power

California's Energy Challenge

California is facing an energy challenge. To reduce the risk of power outages, everyone can help by reducing the demand for electricity by using less energy.

California has the power of the world's sixth largest economy. Your efforts, times 35 million Californians, will make a real difference.

All you have to do is FLEX YOUR POWER

Simple things you can do right now to cut your energy costs are:

- Keep energy use low during peak demand hours from 5 a.m. to 9 a.m. and 4 p.m. to 7 p.m.
- Turn off unneeded lights and appliances. Unplug that spare refrigerator out in the garage if you don't really need it.
- Avoid using dishwashers, clothes washers, dryers and ovens during the peak demand periods. Wash full loads of clothes/or dishes. Use the cold setting on your washer if you can.
- In cool weather, turn your thermostats down to 68° degrees or below. Set it at 55° degrees before going to sleep or when away for the day. **For every 1 degree reduction, you will save up to 5% on your heating costs.** Close your shades and blinds at night to keep heat from being lost through windows.
- In warm weather, set your air conditioner to 78° degrees or higher. When away from home set the thermostat to 85° degrees. **These tips can save you up to 20% on your air conditioner costs.**
- Buy Energy Star appliances, products and lights.
- For more on saving energy and money, go to www.my.ca.gov on the Web and click the California's Energy Challenge site next to the **FLEX YOUR POWER** logo.
